About eRaksha Awards

COMPETITION
2021

CyberPeace Foundation in collaboration with NCERT, with support of NCPCR and NCRB organized eRaksha Competition 2021,

with the aim to make cyber space safe, secure and enabling for the young minds to succeed and thrive.

The competition was open for students from schools and colleges, educators, and parents across all states of India.

Participants submitted original and inspiring entries across all the categories in large numbers and we are proud to showcase the winners' creatives this compendium.

“My Idea of a Safe and Peaceful Cyber Space”

‘मेरी सोच... सुरक्षित और शांतिपूर्ण ऑनलाइन दुनिया’

Competitions & Categories

- eRaksha 2021

The participants were asked to reflect and share their vision of safe and peaceful cyber space where they can learn, connect and grow without fear.

About the Competition

Participants developed original, engaging and informative videos, documentaries, and short films, with the vision to build awareness and encourage responsible and resilient behavior in the Online World. These impressive and professional videos, which made use of very basic technology devices, showcased the knowledge, understanding and creativity of the young developers. Diverse but contemporary and critical issues like Hacking, Online Scamming, QR Codes, Financial Transactions, Privacy on Social Media etc were addressed, sending positive and clear message about the safe and responsible practices on the Internet.

The participants shared their understanding and guidelines regarding Online Safety & Digital Citizenship through Essays, Blogs, Articles and Research papers developed by them. The essays on topics like ‘Internet – a Friend or Foe?’, ‘Cyber Security’, ‘Phishing-a Major Crime’, were insightful and thought provoking. The Research papers submitted were well researched, with dealing with the current issues faced by children and youth in the online world. Online Safety tips were comprehensive with clear messages regarding safe and responsible use of Internet.

Testimonials

“ Cyber Crime is becoming a worldwide phenomenon and a global concern. I compliment CyberPeace Foundation for raising awareness about the issues by organising and celebrating eRaksha Competition. ”

- MR VIVEK GOGIA
NCRB

“ ERaksha 2021 besides creating awareness amongst the children and youth about being smart, safe and ethical users of Internet, is also achieving another goal of NEP 2020 by making the students creative learners, which is evident from large number of original and inspiring self- created entries submitted in this competition. ”

- Dr. AMARENDRA BEHERA
Jt. Dir. CIET-NCERT

“ I have been following ERaksha since 2019. Over three years it has become 'People's Movement' like 'a 'Jan Andolan' focused towards empowering youth to be safe and responsible cyber citizens. ”

- MR S N Pradhan
Director General of National Disaster Response Force

“ Extremely delighted and honoured on winning the award in E-Raksha competition, 2021. My sincere thanks to CyberPeace Foundation and NCERT for organising this type of competition for students & teachers, which motivate them to stay inspired, creative and safe netizens. ”

- VINEETA GARG
eRaksha Competition 2021 Winner

“ I had a very good experience in participating the eraksha competition. And learnt so many things from that .It gave me so many different ideas about cyber world and cyber security. Thank you for choosing me as the winner . ”

- ARCHANA R SETHU
eRaksha Competition 2021 Winner
